CLASS HISTORY

On September of 1948, fifty-seven members enrolled as Freshmen in the Odon High School. Most of the Freshmen were eighth grade graduates of Odon, but some of them came from the surrounding schools of Raglesville, Shiloh, and Crane

During our Freshman year we elected the following officers: Miss Clinton, sponsor; Carl Auberry, president; Frank Overton, vice-president; Janet Foglesong, secretary; Lois Corn, treasurer; Joyce Hugunin, class reporter. By the end of our Freshman year we lost five members: Carl Auberry, Ida Mae Graber, Amos Stoll, Joseph Kemp, and Leroy Haywood.

During the summer months we lost Charles Aishe, Don Burks, Betty Jackson, Evelyn Ketchem, Robert Lentz, Frank Overton, and Samuel Stoll. We gained Gerald Brinegar, Betty Wade, and Janice Brinegar the following fall.

We, as Sophomores, forty-eight in number, elected the following officers: Mr. Marlin, sponsor; Ralph Solliday, president; Delores Resler, vice-president; Joyce Hugunin, secretary; Barbara McRoberts, treasurer; Janet Foglesong, class reporter.

Those lost during our Sophomore year were Virginia Witsman, who was killed in an automobile accident, Alva Kemp, Janice Brinegar, Cecil Flinn, Lola Zigler, Owen Arney, Rex Harper, and Ralph Solliday.

We began our Junior year with thirty-eight members. Officers for our Junior year were: Mrs. Pate, sponsor; Jerry Neiswanger, president; Richard Smiley, vice-president; Lois Corn, secretary; Mary Ellen Crane, treasurer; Mary Lukens, class reporter. Our candidates, Delores Resler and Jerry Neiswanger, were crowned "King and Queen" of the school carnival that year. On April 20, 1951, we presented our Junior play, "A Date With Judy". We entertained the Seniors with a prom and banquet which they enjoyed very much. Our theme was "Dreamland."

We lost two members, Lucille Foster and Albert Sims, during our Junior year. We gained one member, Orum Jones, from Burns City.

When school began in September, 1951, there were thirty-four students feeling very proud of themselves. We had a right to be proud because we were "The Sophisticated Seniors." We elected the the following officers for our Senior year: Mr. Jensen, sponsor; Joe Humerickhouse, president; Sue Humerickhouse, vice-president; Nancy Sinclair, secretary; Ives Pruett, treasurer; Janet Foglesong, class reporter.

As Seniors we presented a well-attended play, "Larry's Big Date," during the first semester.

We lost three members during our Senior year: Mary Ellen Crane, Leroy Haywood, and Harvey Callahan.

We have given the events which we think are the most important of our school years. We wish to express our sincere thanks to all who helped in making our graduation possible.

CLASS PROPHECY

The more I kept looking at that long, mysterious letter, the more curious I became. I walked over to the table where I had reluctantly placed the letter only a few minutes before. Without listening to my conscience I started to open the letter, but in doing so I glanced again at the front and read the "Do not open until the year of 1965" again.

The postman had just delivered the letter, and ever since I had become more and more curious. But my conscience got the better of me and I tossed the letter carelessly aside again, and went about my work.

As I was going into the kitchen, I happened to glance at the class of "52's" picture hanging in my bedroom. This started we wondering just what my old classmates were doing and wishing that I could see them. It had been a full twelve years and would soon be thirteen years since I had last seen them on the night of graduation.

I still couldn't get the letter off my mind. The more I thought about that letter the more curious I became; finally tossing all caution to the winds, I opened the letter. I did feel a twinge of remorse, but I consoled myself with the thought that it would soon be 1965 anyway. I began reading the letter and was amazed that it contained the very question that I had just been asking myself about my classmate. The letter read as follows:

Joe Humerickhouse, the president of our class, carried his politics a little farther and is now campaigning for president of the United States. Joe hasn't married yet; his policy is that marriage and politics do not mix.

Helen Smiley, the little girl of the Senior class, had been head nurse of the Methodist Hospital in Indianapolis for three years. She finally resigned her nursing career to marry the chief surgeon. Instead of devoting her time to humanity she is now devoting her time to raising little doctors.

Richard Smiley, one of the basketball players, is now a very competent mechanic for The General Motors Garage in Raglesville, Indiana. He is married to Nancy Sinclair, one of the former cheer leaders of Odon High. Nancy is now teaching a lot of little grease monkeys how not to yell.

Lois Corn, that little dark-haired beauty, has now retired from the nursing profession. She just married a very successful hair dresser in New York by the name of Monsieur Jim Adams.

Helen Shake, the little girl with the sweet smile, is very happy now. She can be with her Tommy all the time. Helen, Tommy, and Tommy Jr., live on a little farm east of Odon.

Joyce Hugunin, the brain of the Senior Class, has turned out to be a career lady. She is a professor at Indiana University, teaching English, and literature. She has never married, but is very much interested in the embalming business.

Maurice Miller, namely "Luky", is running a very large super market at Raglesville, Indiana. His charming little wife, Norma Pruett, does all his bookkeeping for him.

Jerry Neiswanger, another basketball player, is taking his team to the semi-finals. His team has taken the state for three consecutive years. Jerry is coaching at our old Odon High School. He is now married to his blonde high school sweetheart.

Marilyn Helm, called "Frazz" by her classmates, has joined the Navy and is following her husband, Rich, around. They haven't been married very long and can't stand to be separated. Isn't that sweet!

Jack Byrer, that fleet-footed basketball player, is a notorious bank robber. He is married to a gun-moll named Nancy. We guess Mrs. Freed didn't give him enough discipline in high school.

Gerald Brinegar is a very noted lawyer. He is now working on a case in the court house at Washington, Indiana. He likes being there because he can be with a certain teacher all the time. Gerald is very handsome, isn't he, Dorothy?

Jeanie Barnard, alias Mrs. Pee Wee Riggins, is now a private secretary to her husband, the owner of the Odon Milling Company. Jeanie and Pee Wee have a very talented young daughter, who recently, at the age of twelve, appeared on television as "Miss Music of 1965".

Sue Hanna, with the raven hair, is married to Leroy Farren, a broker in a big business firm in Indianapolis, Indiana. The Farrens are "faring" pretty well with a pair of curly-blonde-haired twins.

Bruce Harper, who was called "Muscles", is a minister at Shiloh. His sermons are very stirring and he is proclaimed to be a second Billy Sunday. Congratulations, Bruce.

Paul McCarter, the quiet one, is a farmer east of Odon. He runs a very large farm and is voted to be the most eligible bachelor of the year. O. K. girls, now is your chance.

Barbara McRoberts, the girl with the giggle, is Mrs. Derald Hasler. She and her husband are proprietors of the Grocery and Feed Store, Restaurant, Greenhouse, Gas Station, Taxi Service, Bus Stop and City Hall combined, called Farlen. Farlen has a population of thirty-six people—all Haslers.

Ives Pruett, the tallest one in the class, is now married too. Guess who? None other than that charming little lady, Eva Dee Pershing. Ives is a big dairy farmer in New Jersey. Guess what kind of cattle they have—that's right, Jerseys. Eva Dee is Ives' cute little dairy maid.

Janet Foglesong has married a Dare Devil Motorcycle Rider and is coaching him on to many victories. Her husband is Robert Laughlin, from Switz City, Indiana. They live in a very modern and up-to-date trailer, the reason being that Robert's profession keeps him on the move all the time.

Ronnie Fisher, nicknamed "Wolfie" is a very famous poet. With his poetry he has stirred nations. The poem that made him famous was the class poem he wrote before graduating. His favorite pastime is standing on the street corners in New York whistling at all the girls. Guess he lives up to his nickname, eh?

Marcile Howard is Mrs. Ralph DeMotte. Her husband is the

owner of the big trucking line, Fruhauf. The happy couple have one child, a chubby little black-haired boy.

Dorothy Drieman is an elementary school teacher in Washington, Indiana. She isn't married yet, but she is being courted by a very promising young lawyer by the name of Gerald Brinegar.

Delores Resler has continued her singing career and is a big opera star in the Metropolitan Opera House. She is married to "Slats" Courtney. They have five curley-blonde-haired boys and one girl. The boys are basketball stars and the little black haired girl sings.

Jim Ramsey, the easy going guy, is married to Priscilla Fish. They live at Burns City and are making millions by running a fish hatchery. Jim, who used to be a policeman, is giving lessons to the boys from Burns City on "How Not to Wreck a Car". It seems that Jim learned from experience.

Rowena Burks has gone to a beautician school and is an up and coming hair stylist. She is also the personal hair stylist of Elizabeth Taylor. Rowena is the only one in the class to make Hollywood. Hurrah, for her!

Sue Humerickhouse has flown right out of the Senior class and is an air stewardess for the American Airlines. She is married to the pilot, a very handsome young man, whom we all know as Dean Porter.

Roger Riggins, a bashful boy, owns a big farm at Raglesville. We guess he wasn't too bashful to ask a certain girl to marry him, anyway he is married to Mary Myers. They are the proud parents of triplets—Huey, Luey, and Duey.

Bessie McCarter is working in the office as stenographer for Dearmin and Company at Odon. She is a new bride; her husband is a salesman for the Fuller Brush Company. Bessie and her husband live in "Happy Acres" just outside of Odon.

Mary Lukens is now a Home Economics teacher. She graduated from Indiana University and began her career teaching at Odon. She is engaged to a new doctor who has just started practicing medicine at the Odon Clinic.

Rosalee Williams, the red head of the Senior class, is telephone operator for the Bell Telephone System at Elnora. Rosalee is married to Max Woodsmall, and it seems she spends most of her time calling her husband. The Woodsmalls have one child, a little red haired, freckled faced boy.

I finished the letter, satisfied with myself that I hadn't done anything wrong in reading it. I'm still curious though as to who sent it. But how would any human know the future anyway? Maybe Fate herself wrote the letter. I have just about come to that conclusion. Here's thanks to her!

BULLDOGS

BRUCE MILLER is a fast Junior who will be in there fighting next year. He is 5' 7" and has had quite a lot of experience and should show up good.

JIM ADAMS, a six foot Junior, has also had quite a bit of experience with a basketball and should be a real Bulldog in the coming season.

JUNIOR COOK, a sophomore standing 6' 4". Junior will no doubt be an outstanding center and will help win several games for Odon, we hope.

JERRY NEISWANGER, a 6' 2" forward, made most of his points from pivot shots and one-handed shots from the side. He is a Senior this year and will be missed.

IVES PRUETT is Odon's rebound man and plays guard. He made most of his points on tip-ins and long shots. He is 6' 2" Senior and his contributions will be missed next year.

JACK BYRER is a Senior and is noted for his speed and two-handed set shot. He was not a regular, but was always off with a bang when sent in for a replacement.

RICHARD SMILEY is another fast man and a good shot. He is also a good defense man. He was the coach's favorite substitute when someone on the floor couldn't handle his position. Richard is a Senior this year.

BOB BOYD is a Junior who contributed a lot to the team this year and should be a good player for the oncoming team.

BOB RAMSEY, a Sophomore and a fast forward, saw lots of action this season and should be in good shape for the Bulldogs next year.

LARRY SIMS, a Freshman, has helped the Bulldogs considerably and should be a top man in years to come.

Sports Editors, Ronnie Fisher
Roger Riggins

MUSIC DEPARTMENT

Last summer we went to Indianapolis to State V. F. W. convention, and won first. The next day we went to Greensburg and played at the Odd Fellows Home.

The band started out the year with a new director, Mr. Dale Williams. Wednesday, September 5, 1951, we participated in the Indiana State Fair Marching Contest, after six rehearsals, and received the first place award. It was the second time in three years that our band had the honor of being state champions. September 14, we went to the Ellettsville Fall Festival marching contest, won the first division, and played an hour's concert in the evening.

Saturday, October 20, we journeyed to Cannelton, Indiana, for the Indiana School Music Association marching contest. We placed first division in Class C.

Basketball season soon started and the band made their initial marching appearance of the season, proudly wearing their new tennis slippers purchased for us by the Athletic Department. The band appeared at every home game including the one in which a queen was crowned. We were all hoping that one of our two band members, Helen Smiley and Delores Resler, would be crowned the queen, but a classmate, Nancy Sinclair, defeated them at the polls.

Solo-ensemble contest time! Twenty of the band members participated, bringing home eleven firsts, eight seconds, and two thirds, a good record of achievement.

When basketball season was over, we prepared in earnest for the Indiana School Music concert contest to be held in April and for a concert to be given in the gym March 30th.

Saturday, April 26, we go to Evansville to compete in the annual Lions Convention Marching Contest. Last year the band placed first in this contest at French Lick. Let's hope we can repeat this year.

Solos, ensembles, "Hungry-Five plus One"—Concerts, contests, we've had a busy year. We'll miss our seniors: Joe Humerickhouse, Helen Smiley, Rosalie Williams, Marilyn Helm, Jim Ramsey, Delores Resler, and Helen Shake. We wish the best of everything for them in coming years and welcome them to come see us anytime.

GLEE CLUB

TOP ROW—Carol Fisher, Jo Ann Scott, Karen Abrell, Joanne Trueblood, Lois Corn, Mary Jo Woodling.

ABSENT—Marilyn Helm.

The Girls Glee Club started the school year with twenty-one members. On account of illness, Grace Tarvin was unable to continue the second semester.

The highlight of the year's work was the Vocal Music Festival held in the Evansville Coliseum during Teachers' Association. Our Glee Club sang in a chorus of nearly one thousand high school girls' and boys' voices under the direction of Don Craig.

The Glee Club was represented in the solo and ensemble audition in Evansville by Lois Corn, Karen Abrell, Joanne Trueblood and Norma Pruett. Lois and Karen won first division ratings and Joanne and Norma, second.

Other activities consisted of singing for the fall festival, P. T. A., Lions Club and M. I. C.

CLASS SONG

(To the tune of "So Long")

First verse:

We've sung this song and we'll sing it again
Of the grown-ups we are and the kids that we've been,
And some of the troubles that worry our mind
Are all of the teachers that we'll leave behind. Singing:

Chorus: (Repeat after every verse)

So long it's been good to know yuh,
So long it's been good to know yuh,
So long it's been good to know yuh,
It's a long time since we began school, and we got to be driftin' along.

Second verse:

The teachers they sat at their desks and they thought
Of tests that would flunk us, but we passed them all,
So now we are saying good-gye to you all,
For we've got to be driftin' along.

Third verse:

We went to the teachers and told them good-bye,
They all said we're sorry you're leaving,
We know you love school, and we wish you could stay,
But we know you are Seniors and must be on your way.

Fourth verse:

Our telephone rang, it nearly jumped from the wall,
It was the Juniors a makin' this call.
They said we're waiting to see you graduate,
For you're leaving school, and we're taking your place.

Fifth verse:

The gym will be jammed; the gym will be packed,
The seats will be filled from the front to the back,
The kids will be waiting to say their good-byes,
And even the Juniors will have tears in their eyes.

To those of us, who have given of our best that the Odonian may be a reliable portrayal of our school life and activity during 1952, every recollection will make the Odonian dearer.

May the scores of our critics not forget the quantity of midnight oil burned up in publishing this volume of the Odonian. May they read between the lines the toil, the devotion, and the efforts of the Annual Staff to construct a monument to the senior class of 1952 and to Odon High School.

We wish to thank those who have helped us for their assistance and cooperation in the production of this annual, thereby lightening the load of the work by their encouragement and good cheer.

He is so stingy he heats the knives so his wife won't use too much butter.

Wife—"I've got you this bottle of hair tonic, darling."
Husband—"But my hair is all right."
Wife—"I know, but I want you to give it to your typist at the office—her hair is coming out rather badly'.'

We want to thank our advertisers. If they had not helped us, this copy of The Odonian would not have been possible.
